Thank you for choosing Thomas A. Analetto DMD as your dental health care provider. We are committed to the success of your dental treatment and want to provide you with the best service available. To help reduce our administrative costs and keep our fees to you as low as possible, we require payments to be made at or prior to the time that you (or your family members) receive treatment.

Payment Options

- Cash
- Check
- Visa
- MasterCard
- CareCreditSM

For treatment amounts over \$300, please inquire about the possibility of an extended payment plan.

A note for patients with dental insurance:

Dental insurance usually does not cover the total cost of your treatment. Based on your plan, we can usually estimate the amount of your portion of the fee. When treatment is delivered to you, your payment will be expected at that time. If your insurance company fails to pay within 60 days after we submit your claim, you will be responsible for the full fee.

Acceptance Agreement

I understand and agree to the above financial policy. I understand the parent or relative bringing a child for dental treatment is responsible for all fees incurred at the visit. I further understand that I am responsible for all fees, regardless of insurance coverage.
